The Metropolitan Buildings-Act provides, that it shall be the duty of the Builder to give two days' notice to the District Surveyor at his office, in the form specified in the forms contained in the schedule to the Act, under a penalty of 25s. and treble fees in each case, before the following acts or events, that is to say—Before any building shall be begun to be built; and also before any addition or alteration, which by this Act is placed under the supervision of the Surveyor, shall be made to any building; and also before any party-wall, external-wall, chimney-stack, or floor, shall be begun to be built, pulled down, rebuilt, cut into or altered; and also before any opening shall be made in any party-wall, and also before any other matter or thing shall be done, which by this Act is placed under the supervision of the Surveyor, except as thereafter is provided.

If a building be suspended for any period exceeding three months, or if during the progress of a building the Builder be changed, then two days before entering on the performance of the work, such Builder must give notice to the Surveyor, under a penalty of 20s. § 13.

If by reason of any emergency, any act, matter, or thing, placed under the supervision of the Surveyor, be required to be done immediately, or before notice can be given to the Surveyor, then it shall be lawful for the Builder or any person to do such act, matter, or thing so requisite, but upon this condition, that within four-and-eighteen hours after beginning to execute such work, notice thereof be given to the Surveyor. § 13.

With regard to buildings of the first-rate of the warehouse class, and of all buildings of the public building class except those exempted by the Act, notice must be given to the Official Referees by the Architect or Builder, when the walls of any such building have been built to their full height, and all the timbers of the floors, roofs, and partitions, have been fixed. § 15.

With regard to buildings specially named in the Act (schedule B.), the Architect or the Builder must give notice to the Official Referees before the building be commenced, and must transmit the plans and other drawings for their inspection. § 16.
